“Survivorman: The Kalahari”

Based on the clips you see from this episode of Survivorman, what type of people do you think could live in the Kalahari Desert? List **five characteristics** they would need:

- ①
- ②
- ③
- ④
- ⑤

The !Kung: Bushmen of the Kalahari

- S** – special powers
- P** – problem solving
- A** – alternative viewpoints
- W** – what if
- N** – Next

Special powers – You have been granted **special powers**. You travel back in time and use those powers to prevent African governments from taking over !Kung land. How is the Kalahari different today because you chose to use your powers in this way?

Problem solving – When governments found diamonds on !Kung land, they forced the !Kung off so that they could set up diamond mines. This money was very important for the countries, and they felt this was their best choice. What might have been a better way for them to **solve this problem**?

Alternative viewpoints – You are a journalist traveling around the Kalahari. What kinds of things are you seeing? What are people saying about the !Kung?

What if – **W**hat if Europeans had not come to the Kalahari Desert? How might life be different for the !Kung today?

Next – You are !Kung and your family has been kicked out of your homeland in the Kalahari. What will you and your family do **n**ext to create a new life?
